Dear Nivega,

We would like to express our gratitude for your commitment to complete the WLF Ambassador Program, a four-month program that aims to train and prepare participants in leadership and advocacy skills so that they become local voices in the community who raise awareness of literacy and education as a human right.

The £10 raised through your campaign; will be allocated to our literacy program *Aprende Leyendo* and will bring books, literacy resources, and tutoring to children that are struggling to read and write.

To see firsthand the impact of our work, please subscribe to our newsletter at www.worldliteracyfoundation.org or follow us on social media; Facebook: [@worldliteracyfoundation](https://www.facebook.com/worldliteracyfoundation), Instagram: [@worldliteracy_foundation](https://www.instagram.com/worldliteracy_foundation), and Twitter [@WorldLiteracy](https://twitter.com/WorldLiteracy)
